

LOWER YOUR COST OF CARD ACCEPTANCE

By partnering with WorldPay, Retail Merchants Association members can realize lower cost of card acceptance. There is no better time to benefit from a proven partnership that provides you with all the tools, connectivity and point-of-sale interfaces needed to help you eliminate the middleman, while streamlining your solution for better performance, lower costs and enhanced profits.

It's time to put your payment processing in the fast lane with WorldPay's vast array of retail-specific products and services.

- **Robust Payment Capabilities.** We've covered all the bases to give you a comprehensive range of payment options, including credit, debit, check services, gift cards and the RevolutionCard®, the first PIN-secured credit card in the U.S.
- **Enhanced Payment and Program Support.** WorldPay is a single-source provider of premier payment processing services - from authorization to settlement.
- **Check Services.** Your POS terminal can be programmed to walk you step-by-step through the process, returning an approval or denial in seconds.
- **Seamless Conversions.** Whether it's for a single terminal or multi-lane environment, you can count on seamless support and integration with industry-leading retail platforms.
- **Convenient Web-based Transaction Reporting.** Our secure, Web-based program provides reports and account information 24/7.
- **Transaction Integrity.** WorldPay has received consecutive awards from Visa® and MasterCard® in recognition for the quality of transaction services it provides.
- **Unsurpassed Service.** WorldPay's call centers are available to serve you 24/7, so you can depend on experienced U.S. staff answering your questions. This saves you time and money.
